

MY GRAN'MA'S BED

"I WISH I had a bed like that, and a grandma's love to see me safely into dreamland at night; my dolly and I all tired." A little girl years ago wished the same wish, and yesterday another little girl wished, too. And today this little girl wished for a bed like that. And Grandma was so happy, for she wanted a little girl just like you to sleep in the same bed that she had wished for when she was a little girl. What wonderful dreams must be there, through all these years, in a bed like that! With a glass of water as your paint box, and a brush or bit of cotton on a toothpick, paint carefully between the lines of the picture and see how nicely you can color it.
